- Submit an order at night and have it ready the next morning

Our website is mobile friendly!

PRODUCT SPOTLIGHT

RELIABILITY & Service for over 60 years!

October 2017

Are you taking advantage of LED instant rebates for energy savings?

Energy providers in our area are currently offering instant rebates that discount the purchase price of new LED lighting for commercial retrofit applications.

These rebates translate to fast paybacks though energy cost savings for the end user. Making it an easy sale for you.

Contact your Gordon sales representative to learn more!
